TURNING ON WATER FOR INSPECTION AUTHORIZATION:

The undersigned has asked Calibre Home inspections to aid in turning on the water to the house at the address shown below. He/She acknowledges that permission to do so has been obtained from the current owner (or the owner's representative) and understands that this procedure can sometimes lead to damage to the house. By signing below, the undersigned confirms they will assume any liability Calibre Home Inspections may incur in the event that damage does occur. Also, if the property has been winterized, this serves as notification to the owner that the property at the time of the inspection will no longer be winterized; and the owner is responsible to re-winterize the property if they so choose.
