The MCHS seeks to educate the public about the rich historic and cultural heritage of our county and to preserve the sites and artifacts that reflect the county history.

Our mission is to provide educational opportunities for all ages to learn about Montgomery County’s history; maintain and preserve Speed Cabin, Pattison Pavilion, Lane Place and its grounds, and share them with the public; increase awareness about opportunities to be of service to the Society; and provide short and long term financial stability to support this mission.
