

Thank you so much for contacting me to evaluate your child.

HOW ONLINE EVALUATIONS WORK: (For ALL Florida counties and grade levels)

1) The parent will send me the following information either by email or regular mail:

Child's Name, Date of Birth, Address, County you are registered with, Parent's name, Phone/Email and child's current grade level.

2) Send copies of 2 samples from AT LEAST 2 different subject areas from your child's home school portfolio. (The samples can be workbook pages, quizzes, something that you've written up for your child to work on, or anything that would allow me to see progress in 2 different subject areas.) You can choose any 2 subjects you'd like, for example: math and English, science and history, or whatever your curriculum might be. If you have transcripts from Florida Virtual School or any other school/program, you can count these as samples. Make sure child's name is clearly written on all samples. You might also include (this is optional) the curriculum you used, list of books read, etc. or anything you think would be helpful for me to know. (You could also send pictures of materials, books, projects, activities, trips, etc.) You can either send by regular mail or scan samples and attach them to an email (pdf Format). I do not mail work samples back to you, so please make copies of the samples that you send to me.

3) After I've reviewed the samples, I'll email you to set up a time that I can call and have an informal conversation with your child. No test questions, just a relaxed conversation about their favorite subjects, what they liked about homeschooling, etc. Please let your child know that there is no wrong answer and there should be no anxiety about the phone call. I want them to look forward to evaluations and not fear them. (HOMESCHOOL LAW REQUIRES EVALUATOR TO HAVE A DISCUSSION WITH THE CHILD-the call only takes a few minutes.)

4) When steps 1-3 have been completed, I will email you the signed annual evaluation form letter for you to submit to your home school office. The cost is \$25 for one child. \$20 for each additional child. Check or Money Order can be sent to my address below or I can send you a request for payment through Paypal. Thank you so much for choosing me to do your child's evaluation.

Please let me know if you have any questions.
