FAMILY GUN CLUB MEMBERSHIP AGREEMENT

- I, the undersigned agree to follow the safety and membership rules listed below:
- I understand that I can bring a guest and introduce that guest to the club facilities. I will be in direct supervision of their actions at all times. Daily guest shooting fees \$10 per visit (up to 3 visits per calendar year) will apply for your guest to use of the facilities. Abuse of the guest privileges could result in revoking or restricting your guest privileges.
- I understand that sharing a membership or club building access to anyone including family member) is cause for *automatic termination of membership*.
- *I understand that EAR AND EYE protection is required on all ranges.*
- *No guns are allowed to be loaded on property except for shooter at the firing line.*
- No shooting in the air or at any animal on Tim and Susie property. **NO HUNTING ALLOWED.**

PISTOL / RIFLE RANGE RULES

- I agree to follow all safety rules listed at the rifle range.
- I understand there will be no handling of firearms in any manner, and all shooters will remain behind the red line when anyone is down range, or while a cease-fire has been declared. All actions will be open; magazines out, chambers cleared, and guns will be flat on the bench, in the rack or boxed. Violation of this rule can result in termination of membership without refund on the first offense.
- I understand members who do not obey the red line rule are not welcome in our club and their membership will be terminated.

- I will insist that everyone else on the rifle range follow the red line rule. If they refuse, I shall report them to the club's leadership.
- I will shoot only at paper or pop targets. I realize that tin cans, bottles, and other objects are not proper targets and become trash or dangerous for other members walking at the range.
- You are required to keep your area clean. NO TRASH is to be left behind when you leave.
- I agree to do my best to ensure that all bullets stay on the rifle range by placing all targets high enough on the target frames so that my bullets will travel down range behind the target. I understand that bullets hitting the ground before the target can ricochet off the range and could harm someone.
- I will never load my gun until I am ready to shoot and keep my finger off the trigger until I am on target.
- I understand that the range is open 8am to dark (7) days a week for my convenience. When the Range Safety Officer is present he / she will have complete authority over the ranges. Range after hours lighting is available by contacting Tim or Susie.

SHOTGUN SPORTING CLAYS

- I agree to follow the shotgun safety rules displayed inside and outside the clubhouse.
- I agree to have my shotgun action open except when actually shooting or when placing a break action shotgun in gun rack.
- I will never close my gun until ready to shoot and will keep my finger off the trigger until I am ready to shoot.
- I agree that my shotgun will be empty of ammo and the action open when changing stations or when someone goes to down range.
- I will never load more than one shell at a time except when shooting doubles or continental.
- I will not shoulder my firearm or let someone else shoulder it.

I do hereby waive all claims for injury or damage against Tim and Susie LLC, its members, officers or owners of any area where activities may take place, arising from my participation in any activity. I further agree to abide by all safety regulations and I understand that failure to comply with said regulations could result in my suspension from the Family Gun Club, or removal from the club membership.

I further certify that I am over 18 years of age and I have never been convicted of a crime of violence, nor am I currently under indictment for a felony.
