

Region VI
Vice Commander
Irvin Lyons Jr.

September 2023

Patriots:

I greet you, esprit de corps to wish you and your loved ones a safe and spirit filled Labor Day.

Labor Day often marks the “unofficial end of summer” with our children going back to school, the beginning of the football season, and the incremental changes in weather conditions. It is the beginning of the season where we strengthen our community and our resolve.

Many of us will celebrate the holiday by spending time on our grills, parades participation or simply hanging out with family, friends and supporting our respective communities.

Labor Day is a federal holiday in the United States celebrated on the first Monday in September to honor and recognize the American labor movement and the works and contributions of laborers to the development and achievements of the United States.

As service members we are both proud to celebrate and uphold this moment of recognition.

May we encourage all to be safe this long weekend in the interest of situational awareness?

We (I) cannot thank you enough for your diligence and hard work that keeps our Region and Mission operational. You are much appreciated.

May I remind you to share this link www.NABVETSavon.com in support of our fundraising efforts for the programs of NABVETS, Region VI.

The NABVETS are in full support of our Brothers and Sisters of our time-honored institution whose labor and dedication keeps this great nation moving.

Respectfully,
Vice Commander, Irvin Lyons Jr
