About Semper Fi #3 Memorial Honor Detail

After attending a funeral service for a fellow Marine. Gunnery Sergeant Andres (Andrew) Ortiz was appalled there was no U. S. Marine Military Honor Detail in attendance. Not wanting to see a repeat for other veterans deserving military honors, the Gunny began his quest:

In keeping with the United States Marine Corps tradition, "We take care of our own", and in honor of those who lived the good life, fought the good fight and made the ultimate sacrifice, SEMPER FI #3 Memorial Honor Detail was created and is committed to provide to U.S. Marine veterans (men and women) of honorable service and other branches of service full military honors at the time of their interment.

Semper Fi #3 Memorial Honor Detail is a 501-c3, allowing your generous gift to be tax deductible
